Administrative Procedure 4.207 (A) Standardized Testing Accommodations For Limited English Proficient Students

June 11, 2025

English Language (EL) students, (including those whose parents have waived direct services) are permitted to receive the following accommodations on TCAP/EOC:

- Extended Time
- Word-to-Word Dictionary
- Rest/Breaks
- Human Reader/Human Signer/Read Aloud (must have scored below 4 on the Reading Domain of ELPA21 to qualify for the Read Aloud accommodation).

EL accommodations should be determined by the ILP team, including the ESL teacher and General Education teacher, and must be documented in the student's ILP.

Students who are in the T1-T4 years are not eligible to continue to receive EL accommodations.

Any EL student with an IEP or 504 plan will receive any additional accommodations identified in those plans.

As Els gain English proficiency, their need for support may decrease. Decision about accommodations should be made on an individual student basis, and accommodations should not be applied globally to all ELs. The student's language proficiency should be considered when determining appropriate EL accommodations for each student.
