Qualifying Events

If you or a dependent lose coverage under any other group insurance plan, or if you acquire a new dependent during the plan year, the federal Health Insurance Portability and Accountability Act (HIPAA) may provide additional opportunities for you and eligible dependents to enroll in health coverage. If you are adding dependents to your **existing** coverage, you and eligible dependents may transfer to a different carrier or healthcare option, if eligible. You or eligible dependents may also be eligible to enroll in dental and vision coverage if you meet the requirements stated in the dental or vision certificates of coverage. Premiums are not prorated. If approved, you must pay the required premium for the entire month in which the effective date occurs.

INSTRUCTIONS: Identify the qualifying event(s) which applies to you or your eligible dependent(s). You must submit this page with the appropriate required documentation, proof of prior coverage and a completed enrollment application.

NOTE: Application for enrollment must be made within 60 days of the loss of eligibility for other health insurance coverage or within 30 days of a new dependent's acquire date. Voluntary actions resulting in loss of coverage (such as voluntary cancellation of coverage and cancellation for not paying premiums) ARE NOT qualifying events. Electing to cancel, waive or decline coverage during another plan's enrollment period IS NOT a qualifying event.

Retroactive coverage (a coverage effective date that begins before an enrollment is completed and submitted to BA) **is not allowed except for birth, adoption and placement for adoption.** For all other events, the earliest effective date allowed for coverage under this plan is the first day of the month following the date that your enrollment request, including all required documentation, is completed and submitted to BA. Enrollment should be completed and submitted to BA as soon as possible to ensure the earliest possible effective date. The examples provided below assume all eligibility requirements are satisfied and that required documentation is submitted with enrollment.

EXAMPLE 1

Marriage date is June 15 (30- day enrollment period applies):

- enrollment submitted to BA on June 25 = 7/1 effective date
- enrollment submitted to BA on July 10 = 8/1 effective date
- enrollment submitted on or after July 16 will exceed the 30-day enrollment period, and your request will be denied

EXAMPLE 2

Loss of other coverage date is June 30 (60-day enrollment period applies):

- enrollment submitted to BA on June 30 = 7/1 effective date
- enrollment submitted to BA on July 10 = 8/1 effective date
- enrollment submitted to BA on August 5 = 9/1 effective date
- enrollment submitted on or after August 30 will exceed the 60-day enrollment period, and your request will be denied

QUALIFYING EVENT	EFFECTIVE DATE	DOCUMENTATION REQUIRED
❑ An event causing the loss of eligibility for coverage from another group health insurance plan*	The effective date is the first day of the first calendar month after the date BA receives the request for special enrollment	Written documentation from an employer, former employer, insurance company, or former insurance company on company letterhead that lists (1) names of covered participants; (2) dates of coverage including your coverage at the time coverage in this plan was declined; (3) types of coverage (medical, dental, vision); (4) each participant that lost eligibility for coverage; (5) the date of loss of eligibility to continue coverage, and (6) the reason why eligibility for coverage was lost
❑ An event that results in acquisition of a new dependent spouse or stepchild acquired by marriage, or a child acquired pursuant to an order of guardianship**	The effective date is the first day of the first calendar month after the date BA receives the request for special enrollment	1. Marriage Certificate 2. Birth Certificate (will accept mother's copy for newborn) 3. Order of Guardianship requiring financial support and provision of insurance coverage, which sets out the date of the guardianship period
❑ An event that results in acquisition of a new dependent acquired by birth, adoption, or placement in legal custody for adoption**	The effective date is the date of birth, adoption, or placement for adoption	1. Birth Certificate (will accept mother's copy for newborn) 2. Final Order of Adoption or Order of Custody in anticipation of adoption

* When eligibility for coverage under other insurance is lost, only the Employee and any dependents who lose the other coverage may enroll.

** When a new dependent is acquired, an Employee may enroll in employee only or family coverage and may add the new dependent and previously eligible dependents (those who were not enrolled when initially eligible and are otherwise still eligible).

The employee and dependents may only enroll in the types of coverage lost (medical/medical; ~~dental/dental; vision/vision~~).
